• Community Based Models
  ▫ Pathways for Better Health
  ▫ MiCHAP
  ▫ SIM Regions

• Clinical-Community Based Models
  ▫ Linkages
  ▫ MI Care Team
  ▫ Breast and Cervical Cancer Screening Project
CMRRHN Objective 2: Develop a Plan to Implement a Sustainable, Region Wide Care Coordination Hub

Activities and Strategies

• Review national hub standards and present findings to the Network Members
• Identify additional stakeholders that can facilitate the planning process
• Review existing hub organizations/models and document lessons learned
• Identify lead agency and participating Network members roles
• Review models for financing CHWs and develop a sustainability/funding plan

This project is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) under grant number P10RH31090 for $99,993. This information or content and conclusions are those of the author and should not be construed as the official position or policy of, nor should any endorsements be inferred by HRSA, HHS or the U.S. Government.
Region Wide Care Coordination Hub Benefits

- Coordinated Service Through Centralized Point of Entry
