Acknowledgement

This presentation was prepared by the Central Michigan District Health Department (CMDHD) for the Central Michigan Regional Rural (CMRR) Health Network Development Planning project.

This project is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) under grant number P10RH31090 for $99,993. This information or content and conclusions are those of the author and should not be construed as the official position or policy of, nor should any endorsements be inferred by HRSA, HHS or the U.S. Government.
Central Michigan Regional Rural Health Network Development Planning

July 9, 2015
Today’s Agenda

1. Introductions
2. Governance Committee Updates
3. HRSA Rural Health Network Planning Project Update
4. Integrating Behavioral Health into the Physical Health Care System - Katherine Dollard, Psy.D., L.P., Director, Behavioral Health, MidMichigan Health
5. Member Sharing

Next Meeting Date: 10:00 a.m., Thursday, February 1, 2018, at the Clare-Gladwin RESD
1. Introductions
2. Governance Committee Updates
3. HRSA Rural Health Network Planning Project Update
Project Update Topics

- HRSA Community Based Division All Program Meeting Deliverables
- News and Items of Interest
- Priority Area Programs
- Innovative Workforce Recruitment Strategies
- Next Steps
HRSA Community Based Division (CBD) All Program Meeting Deliverables
HRSA Community Based Division (CBD) All Program Meeting scheduled for February 27 through March 1 in Rockville, Maryland

Deliverables

- January 19, 2018 - CBD Rural Health Community Champion self nomination
- January 24, 2018 - Profile of CBD program – Central Michigan Regional Rural Health Network Development Planning program
Grantee Name and/or Project Title

1. Add a brief description, quotes or fun facts about your HRSA FORHP funded project in this text box. Limit to no more than 50 words of text and set to Font: Franklin Gothic; Size 18.

2. Insert an accompanying illustrative picture or image to the right text box by clicking on the appropriate icon (note for pictures use the bottom left icon).

3. Save document as: “Grant Number State” for example: L20RH1234_MD and e-mail this document to your Project Officer by Jan. 26, 2018

APM Attendees: Enter Name(s)
Nevada Rural Health Network

We are implementing a community paramedicine model of care.

"At the very broadest level, the health care system is ill-equipped to take care of the volume of patients and provide the care needed. We have to deliver health care and bring about health in new ways." — State Agency Official

APM Attendees: Lisa Edwards & Diane Lane

Rural Health Network Development Program
Acknowledges community-based programs that have demonstrated achievements in:

- Developing and utilizing innovative strategies related to collaboration
- Evidence-based/promising practice models
- Influencing policy
- Leading sustainable advancements in increasing health care access
- Improving health care quality within rural communities
CBD Rural Health Community Champion Nomination

Scoring Criteria

- Tell a compelling story of program accomplishments that is aligned with the selected criteria: 4 points
- Provide examples: 5 points
- Observe the 500-word limit per criterion: 1 point
- Extra points will be awarded to nominees who explicitly identify a successful strategy that can be replicated to support or achieve a criterion: 2 points)

- June 2017 – Successful Models and Resources to Support Opioid Abuse Prevention and Treatment
MiDEAL is an extended purchasing program (authorized by Michigan legislation and which has been in existence since 1984) which allows Michigan local units of government to use state contracts to buy goods and services.

Membership is open to: cities, townships, villages, counties, school districts, universities, community colleges, and non-profit hospitals.

Local governments benefit directly from the reduced cost of goods and services and indirectly by eliminating the time needed to process bids.

There are over 400 contracts available to MiDEAL members:

- **Contracts by Category**
- **Most Frequently Used Contracts**
- **Full Contract List**

To become a member, send an email to MiDEAL@michigan.gov. A nominal annual membership fee applies (membership fee schedule).

Opportunity Sharing

Michigan Health Endowment Fund 2018 Behavioral Health Grant Round

http://healthendowmentfund.org/behavioral-health-grant/

Solicitation release expected in late January/early February

From 2017 – “The aim of this proactive initiative is to improve access to high quality, person-centered, and integrated mental health and substance use disorder services for Michigan residents. [W]e are looking to support strategies and service delivery models that:

- Integrate behavioral health services into other health systems;
- Develop innovative approaches through technology;
- Implement community-based responses to the opioid epidemic; and
- Implement new strategies to address behavioral health workforce challenges.”
2017 Behavioral Health Grant Round Schedule

January 11, 2017 - MHEF grant portal opened for applicants
February 6, 2017 – Optional concept papers due
February 23, 2017 - Applications due
July 26, 2017 - Awards announced
August 2017 - Grants processed

2017 solicitation and list of previous awards available upon request.
National Health Service Corps Programs

Loan Repayment - Medical and dental students in their final year of school can get up to $120,000 in loan repayment for a three-year service commitment at an NHSC site.

Scholarships - Students pursuing primary care careers can receive scholarships for serving communities in need upon graduation and completion of training.

National Health Service Corps Sites - www.nhsc.hrsa.gov/sites/

The NHSC offers benefits at no cost to you. Your facility may be eligible to become an NHSC-approved site if it: Is located in a Health Professional Shortage Area (HPSA) and provides primary care medical, dental, or mental and behavioral health services.”
Auto-Approved Entities (do not need to submit an application during the site application period)

- Community Health Centers and Federally Qualified Health Center (FQHC) Look-Alikes;
- Indian Health Service Facilities, Tribally-Operated 638 Health Programs, Urban Indian Health Programs, and Indian Health Service and Tribal Hospitals;
- Federal Prisons; and
- Immigration and Customs Enforcement (ICE) Health Service Corps sites.

The 2017 application cycle is now closed. The next NHSC New Sites application is scheduled to open in Spring 2018. Contact the Bureau of Health Workforce's Division of Regional Operations for more information about the auto-approval process.
Bright Futures: Prevention and Health Promotion for Infants, Children, and Adolescents and Their Families

Bright Futures is a national health promotion and prevention initiative, led by the American Academy of Pediatrics and supported, in part, by the US DHHS HRSA Maternal and Child Health Bureau (MCHB). The Bright Futures Guidelines provide theory-based and evidence-driven guidance for all preventive care screenings and well-child visits. Bright Futures content can be incorporated into many public health programs such as home visiting, child care, school-based health clinics, and many others. Materials developed especially for families are also available.

Incorporates 31 age-based health supervision visits—Newborn to 21 Years— All the information and guidance that’s needed to give children optimal health outcomes (including observation of parent-child interaction and anticipatory guidance)

Bright Futures Periodicity Schedule
Priority Area Programs
Health Network Objective 3. Collaborate to develop and promote evidence-based or promising practices and programs that address population health needs identified by community health needs assessments

**Priority Areas**

- Access to Quality Health Care
- Behavioral Health, including Mental Health, Substance Use Disorders, and Abuse and Neglect
- Nutrition
- Physical Activity and Access to Recreation
- Maternal and Infant Health
- Children’s Health
- Family Health
- Reproductive and Sexual Health
- Older Adult/Geriatric Health
- Access to Transportation
- Health Professional Workforce Education, Training, Recruitment, and Retention
Priority Area Programs

Contents
- Priority Areas
- Goals/Programs/Strategies
- Priority Area Leaders (2016)
- 2015 Central Michigan Region Community Health Survey Results

Priority Area Programs - A “living” document for:
Future Actions
- Programs/projects to be developed - once a champion and partners are identified and a program plan (with requirements) is documented, funding resources can be identified

Reference
- Identifies programs currently in place
- Can help generate ideas for strategies that your organization could develop/employ
Priority Area Programs – Next Steps

MSWord version of Priority Area Programs will be sent to the designated Health Network Member technical representatives by mid-January.

Health Network Member technical representatives to provide information regarding:

✓ Programs/projects to be developed that your organization would like to champion or serve as a partner (including geographic area)

✓ Ongoing programs, including those which require additional funding

✓ Any updates needed regarding your organization’s area(s) of focus
Innovative Workforce Recruitment Strategies
Partner with/support Area Health Education Centers (AHECs)

- Mid Central AHEC - Lisa Hadden - lisa.hadden@cmich.edu
- Northern Lower Regional AHEC - Diane Nielsen - diane.nielsen@midmichiganhs.org

Encourage school systems/students (high school sophomores and juniors with minimum overall GPA of 3.0) to apply to Michigan State University College of Osteopathic Medicine’s OsteoCHAMPS

Timeline
Application available starting December 1, 2017
Application due March 1, 2018
All applicants will be notified by mid-April 2018
2018 program dates: July 7th – 15th, 2018
Encourage school systems/students (high school freshman, sophomores, and juniors) to apply to Central Michigan University College of Medicine’s CampMed. This three-day, overnight event is scholarship-based and provided at no cost to the student.

2017 Timeline
Application due by June 1, 2017
All applicants notified by June 7
2017 program dates: June 27-29, 2017
Innovative Ideas

- MIDOCS
- CMU’s Rotary Scholarship Fund – “Thanks for Staying”
- Aspirus Scholars Program - provides scholarships to select medical student and advanced practice provider students in exchange for a service commitment and rewarding career with Aspirus
- Residency stipends
- Community Recruiters
Next Steps
Next Steps

- Meeting Attendees – Complete brainstorming worksheet today and send in images by Monday (January 8)

- Health Network Member Technical Leads – Send in updates to *Priority Area Programs* after document release by mid-January

- All – Check out what’s happening and post events on the [Community Calendar](#)

- Providers - review Aspirus Scholars Program and determine if a similar program may be appropriate

- February 1st Meeting - Community paramedicine presentation
January is National Birth Defects Awareness Month - About 1 in 33 of Michigan’s 113,000 babies is born with a serious birth defect every year. MDHHS encourages residents to be an active participant in National Birth Defects Prevention Month. Learn more by following the Michigan Department of Health and Human Services on Facebook and #Prevent2Protect on Twitter. 01/03/18 Press Release

March is Parenting Awareness Month (PAM) – “If you have not done so, now is the time to start planning for Parenting Awareness Month 2018. The month of March has been recognized and celebrated as Parenting Awareness Month in Michigan since 1993.” Kristine Norton, Prevention Network – PAM Information and Materials

Saturday, April 21 - 14th Annual Paula Pirnstill Memorial Health & Safety Fair in Farwell – Contact Farwell Area Chamber of Commerce, (989) 588-0580, facc@farwellareachamber.com or Tom Pirnstill, (989) 544-3790, tpirnstill@sbcglobal.net
Integrating Behavioral Health into the Physical Health Care System
