3. HRSA Rural Health Network Planning Project Update
Central Michigan 2018 Public Health Summit

In Collaboration with

Interdisciplinary Center for Health and Wellness

Please join us for the Central Michigan 2018 Public Health Summit on

Friday, May 11, 2018

at Central Michigan University
College of Education & Human Services - French Auditorium
195 Ojibway Court, Mt. Pleasant 48859

Continental Breakfast: 7:30 - 8:30 a.m.
Public Health Summit: 8:30 a.m. - 4:30 p.m.

This year’s Public Health Summit features an incredible line-up including a workshop, panel discussion, and speakers. The topics this year are:

• Building Communities of Resilience: Trauma-Informed Work, Systems and Practice
• Collaboration on the Ongoing Opioids Crisis
• ALIVE - Innovative Community Collaboration for Health & Wellness
• Resource Exchange/Student-Led Research Poster Presentations

The Public Health Summit is free of charge, but we ask that you please bring a fresh fruit or vegetable as a donation to be distributed to our local food pantries.

Register Now:
Contact Allison Dunn at ADunn@cmdhd.org or call 989-773-5921 x1413 by May 4, 2018.
Space is limited, so reserve your spot early!

Uniting the communities and working together, we will improve health and promote wellness in central Michigan.

Together We Can
build a healthier community!

Uniting the communities and working together, we will improve health and promote wellness in central Michigan.

Together We Can
build a healthier community!
MI Bridges Community Partners

- Organizations can register as: Access Partners, Referral Partners, or Navigation Partners.

- A Referral Partner is an organization that agrees to receive referrals sent from customers using MI Bridges.

- Clients can identify their needs using the ‘Help Me Find Resources’ feature and local organizations will be listed as recommended resources if they can help meet one or more needs.

- When a client would like to use a resource offered by a Referral Partner, the partner organization receives an electronic referral on their MI Bridges dashboard and can contact the client to provide services.
MI Bridges Community Partners

- If you would like more information about the new MI Bridges, please visit the new MI Bridges Partners website.

- All agencies that would like to become a MI Bridges partner must register in the new MI Bridges portal. This registration process will be entirely electronic.

- The “Become a Partner” and “MI Bridges Levels of Engagement” pages have more detailed information about each partner role, including the “Benefits and Requirements” of each.

- A full list of the new MI Bridges features are on the “Features” page.
Purpose: The USDA Rural Utilities Service (RUS) Distance Learning and Telemedicine Program (DLT) provides funding for projects in highly rural, economically disadvantaged locations to develop and expand distance learning and telemedicine capacity through the acquisition of equipment, instructional programming, and technical assistance for using eligible equipment.

Deadline: Due Date: June 4, 2018

Award Amount: Awards range from $50,000 to $500,000

Match Requirements: A 15% match is required

Helpful Information: Programs with focus on Opioid crisis will score higher
Examples of awarded RUS DLT Programs

Distance Learning
- Sharing teachers between different educational locations
- Connecting students at a distance to 2 and 4 year colleges
- Dual credit, advanced placement distance learning classes

Telemedicine
- Telestroke, telepsychiatry and telecardiology
- School-Based Health Centers
- Connecting specialists in urban areas to rural clinics and hospitals
- Providing telehealth services to correctional facilities
Rural Health Network Development Planning Grant Objectives

- Expand the utilization of community health workers (CHWs)
- Develop a plan to implement a sustainable, region wide care coordination hub
- Collaborate to develop and promote evidence-based or promising practices and programs that address population health needs
- Address regional health professional workforce education, training, recruitment, and retention issues
- Health Network operations and infrastructure development
Organizational Assessment
A point in time assessment of the Network’s capacity to address adaptive challenges and execute high-leverage, short-term strategies
Due 04/20/18

Source Book
Relays to the public the accomplishments of the 2017 Network Planning grantees (may use Network Statement)
Due 05/18/18 (Targeting 05/11/18)

Strategic Plan
Documents the strategic choices we will have made to guide our work in the future
Due 06/01/18 (Targeting 05/11/18)
Strategic Plan Elements

- Network Statement
- Organizational Overview
- Strategic Planning Process
- Organizational Assessment Summary
- Network Programming Goals and Objectives – Programmatic strategies ideally linked to needs identified in an External Environmental Scan
- Adaptive Capacity Goals and Objectives – Organizational development goals – ideally linked to Organizational Assessment
- Use of the Strategic Plan
